

# SWITCH SOLUTIONS FOR TEST & MEASUREMENT APPLICATIONS

#### **Test & Measurement**

High performance test & measurement equipment plays a critical role in a number of industries such as manufacturing, telecom/datacom, utility, automotive, and medical. Whether they are used in a lab environment, an auto repair shop, or a construction site, these products need to perform reliably under challenging conditions. The switches used to power, program, and operate these devices must be designed to perform at the same level.

#### **Benchtop Test Equipment**

Digital Height Gage

**Function Generator** 

Mass Spectrometry / Gas Chromatography

# **TEST & MEASUREMENT APPLICATIONS**

### **Portable Test**

**Current Tester** 

Automotive Diagnostic Tester

**Battery Tester** 

Digital Multimeter

Cable Insulation Tester

Network Cable Tester

## **Other Test / Measurement Equipment**

Pressure Transmitters

Development Boards

Surveying Equipment
